

AI Development for Lead Generation Portal

PROJECT DETAILS

 AI Consulting, AI Development, Generative AI

 May 2023 - Aug 2023

 \$10,000 to \$49,999

 *"They had the skills to talk about complex things in the easiest way."*

PROJECT SUMMARY

Shelpuk AI Technology Consulting developed a custom generative AI solution for a lead generation portal. The deliverable was a product-grade cloud component with a fine-tuned Llama-2 model.

PROJECT FEEDBACK

Shelpuk AI Technology Consulting delivered the project on time and according to the client's needs. They collaborated effectively via virtual meetings and email. Customers can expect a team that can simplify complex tasks and solve problems efficiently.
